Hospital Notification of Healthy Newborns Only

Please submit newborn delivery notifications on the Department of Community Health Centralized Prior Authorization Portal (www.mmis.georgia.gov). Hospitals are not required to fax or call into the plan information regarding the delivery when the patient is initially admitted for delivery. The following information is required once the delivery is complete to review the claim for reimbursement approval:

- Member Name and Medicaid Number (mother)
- Newborn Name (Note: In the event, a name has not been selected for the Newborn at the time of discharge, please submit with the Newborn's gender: Baby Boy or Baby Girl and Last Name, ex. Baby Boy Smith) and Medicaid Number
- Facility Name, Physician Name
- Admit date, delivery date, type of delivery.
- Gender, weight, and Apgar score of the Newborn, and gestational age of the newborn

Newborns that are not discharged home with the mother (admitted to NICU, Special Care Nursery, etc.) require admission notification by the next business day.

Effective: January 2024

PLEASE NOTE: Failure to obtain the required prior approval/pre-certification from Peach State Health Plan will result in a denied claim. This guide is not intended to be an all-inclusive list of covered services, but it substantially provides current referral and prior authorization instructions. All services/procedures are subject to benefit coverage, limitations, and exclusions as described in applicable plan coverage guidelines. The Plan will retrospectively review services which do not require prior authorization to ensure quality of care.
