

# Quick Reference Drug List:

## Atypical Antipsychotics

**P**each State Health Plan has compiled a list of available products used to treat this condition. This reference will help identify preferred products, in addition to some limitations or step-therapies when a product requires a prior authorization. Any non-PDL product will require the trial and failure of two PDL agents be documented on a prior authorization review. **Generic products are preferred.**

Prior Authorizations should be sent to **Pharmacy Services:**
